This questionnaire is designed to find out how you have been feeling during the last 2 weeks. In the first section, you will be asked to answer questions about activities which make some people feel short of breath. In the next section, you will answer questions about your mood and how you have been feeling.

Please read these instructions for completing this questionnaire:

Please read each question carefully and then place an “x” in the box beside the answer that best describes you. If you are unsure about how to answer a question, please give the best answer you can. If you would like to change an answer, put a line through the box you want to change. Place an “x” in the box beside the option you would like to choose instead.

Remember, there are no right or wrong answers.

Your answers to this questionnaire will be kept confidential.

Please continue on the next page.
Below is a list of activities which make some people with lung problems feel short of breath.

For each of the items below, place an “x” in the box that best describes how much shortness of breath you have had while doing that activity during the **LAST 2 WEEKS**.

The last column has been provided for you to indicate if you have **NOT DONE** an activity during the last two weeks.
