1.	Sudden trouble seeing in one eye.	911	DR	1 HR	1 DAY
2.	She suddenly got clumsy; she couldn't even get her keys out of her purse.	911	DR	1 HR	1 DAY
3.	Sudden irregular heart beat.	911	DR	1 HR	1 DAY
4.	While we were watching TV she said she started seeing double. She told me the room was spinning and she felt sick. She grabbed my arm and held on tight. She certainly didn't look drunk.	911	DR	1 HR	1 DAY
5.	Sudden numbness of the leg, especially on one side.	911	DR	1 HR	1 DAY
6.	Sudden dizziness.	911	DR	1 HR	1 DAY
7.	It sounded like people were speaking some foreign language for a few minutes. I couldn't understand them, and they didn't seem to understand me either.	911	DR	1 HR	1 DAY
8.	My gym partner complained about his right hand hurting and feeling numb while he was lifting weights. He was able to finish his workout anyway.	911	DR	1 HR	1 DAY
9.	His finger joints were sore, and then a finger locked-up so he couldn't open his hand.	911	DR	1 HR	1 DAY
10.	I answered the phone and realized I sounded drunk. I couldn't speak clearly no matter how hard I tried. I hadn't had any alcohol.	911	DR	1 HR	1 DAY
11.	She looked pale. She said it felt like her heart was fluttering and skipping beats.	911	DR	1 HR	1 DAY
12.	My left leg started tingling as I sat watching TV. It was strange, almost like my leg was falling asleep. I tried rubbing and shaking my leg to make the problem go away, but it wouldn't.	911	DR	1 HR	1 DAY
13.	It felt like an elephant was sitting on my chest. It was getting more painful.	911	DR	1 HR	1 DAY

14. Sudden weakness of the arm especially on one side.	911	DR	1 HR	1 DAY
15. I saw that he was trying to eat lunch, but pieces of his sandwich kept falling out of the right side of his mouth. This hadn't ever happened before.	911	DR	1 HR	1 DAY
16. Sudden confusion.	911	DR	1 HR	1 DAY
17. Sudden dizziness and trouble seeing.	911	DR	1 HR	1 DAY
18. Sudden trouble understanding.	911	DR	1 HR	1 DAY
19. Frequent urge to urinate, a burning feeling during urination, and cloudy urine.	911	DR	1 HR	1 DAY
20. Suddenly I couldn't reach for my purse because I couldn't make my right arm move. I started drooling out of the corner of my mouth. When I tried calling to my husband for help, the words wouldn't come out right.	911	DR	1 HR	1 DAY
21. Sudden severe headache with no known cause.	911	DR	1 HR	1 DAY
22. Sudden trouble speaking.	911	DR	1 HR	1 DAY
23. Chest pain lasting more than a few minutes or increasing in intensity.	911	DR	1 HR	1 DAY
24. I noticed that he kept covering and uncovering his eyes and blinking. He told me, "I can't see." A few minutes later everything was fine again.	911	DR	1 HR	1 DAY
25. Sudden weakness of the face especially on one side.	911	DR	1 HR	1 DAY
26. Sudden weakness of the arm and face, especially on one side, together with trouble speaking.	911	DR	1 HR	1 DAY
27. All of a sudden my right arm wouldn't move.	911	DR	1 HR	1 DAY
28. Sudden loss of coordination.	911	DR	1 HR	1 DAY
