Hello,

My name is [REDACTED]. I am conducting research on Milk Allergy. I am interested in an article published in this field in Annals of allergy, asthma & immunology, Volume 73, Issue 3, which is not available at [annallergy.org](http://annallergy.org).

Ann Allergy. 1994 Sep;73(3):215-9.

There is another way to get this study?

Sincerely, [REDACTED]
