

BUHOLI BEMHLABA WONKHE EMZANSI UBHEKELE LOKUBANDZAKANYEKA KWE-TROPICAL ECOLOGY NEKUKONDZISWA

emagama langu

Equity, kuhlukahluka, kufakwa, lababambalichaza basendzaweni, kusebentisana kwamave ngemave.

I-Abstract

Kucinisa kubamba lichaza kwebacwaningi be-Global South ku-ecology yasetindzaweni letishisako nekongiwa kwemvelo kungumgomo wemphakatsi wetfu wesayensi, kodwa tiphakamiso tekutfufukisa kufakwa ticondziswe kakhulu etikhungweni nebacwaningi be-Global North. Nekuba letintfufuko tibalulekile, kunetinselelo letiyincayitivele tekuhlukahluka, kulingana kanye nekufakwa (DEI) ngaphakatsi kweGlobal South lebekwe timo tenhlalomnotfo, temasiko netesayensi. Yigako, tingucuko letigcile ku-Global South tibalulekile etingucukweni letihlala sikhatsi lesidze letibhekiswe ku-DEI, lokucinisekisa kutsi lucwaningo lwemvelo leshisako kanye nelucwaningo lokongiwa kwemvelo lubhekana nenkinga yanyalo yetinhlobonhlobo tetintfo letiphilako. Siphakamisa tinyatselo letilishumi letibalulekile letimayelana nekusebentisana kwamave ngemave ngalokulinganako ku-tropical ecology, leholwa bacwaningi be-Global South, lokungahle kutfufukiswe i-DEI emazingeni etikhungo, telive lonkhe nakulamanye mave. Ezingeni lesikhungo, sincoma kutsi (1) sibe tibonelo letinhle te-DEI, (2) sihlanganise lucwaningo nalababambalichaza basendzaweni, futsi (3) sikhutsate kuphatfwa kwetimali lokusobala kute kuvune bososayensi basendzaweni. Ezingeni lelive lonkhe, sikhutsata (4) kutibandzakanya kutento tembusave letivikela bososayensi kanye nelucwaningo lwabo emaveni lashisako, (5) kubamba lichaza ekutfufukiseni tingcubomgomo telucwaningo lwetinhlobonhlobo tetintfo letiphilako, kanye (6) nekusungula lucwaningo lolufinyelela kumphakatsi. Ezingeni lemave ngemave, sikhutsata bacwaningi be-Global South ekusebentisaneni nemave ngemave kutsi (7) bahole futsi bacondzise ticelo tekuchasa, (8) bacinisekise umtfwalo wemisebenti lolinganako, futsi (9) bamele inzuzo lelinganako phakatsi kwebahlanganyeli belive nalabangaphandle. Kwekugcina, (10) siphakamisa kutsi buholi be-Global South emitamweni wemhlaba bunemandla lamakhulu ekutfufukisa i-DEI emhlabeni wonkhe, ekucinisekisa tingucuko letinhle letihlala sikhatsi lesidze emphakatsini wetfu wesayensi. Tintfo tekwengeta tiniketa lombhalo wesandla ngaletinye tilwimi letekhulunywa e-Global South.
